CRYSTAL CLEANER FAMILY

The **Crystal Cleaner Family** consists of high performance products for the professional cleaning of all types of carpets. Our well proven **low moisture Carpet Cleaner System** deep cleans carpet while providing the quickest dry time of any methods.

Crystal Family Products have been developed especially for your individual requirements and needs. Each product is available in 1 liter bottle and 5 liter canister. These products do not cause water marks and can be used for **deep cleaning** or **interim cleaning**.

CC300 CRYSTAL CLASSIC - ALL TIME CLASSIC CARPET CLEANER - WELL PROVEN FOR DECADES!

Crystal Classic - our classic- is ideal for **average soiled carpets** or regular maintenance cleaning. Removes all kinds of food and beverage stains. Woollsafe testet product. Woollsafe, CRI certificated. Profitable high concentrate, dilution rate **1:20**.

CC500 CRYSTAL GREEN - FREE OF SURFACTANTS - WITH CRYSTALLIZING EFFECT!

Crystal Green is **free of surfactants**, ideal for **average soiling** or regular maintenance cleaning. Removes all kind of food and beverage stains. Ideal for eco sensitive environments. Profitable high concentrate, dilution rate **1:20**.

CC700 CRYSTAL DOUBLE - THE SOLUTION FOR HEAVY SOIL!

Crystal Double with **double cleaning power** is ideal for **heavily soiled carpets**. Removes all kinds of food and beverage stains. Great for areas such as main traffic lanes, entrance/exit areas, corridors etc. Profitable high concentrate, dilution rate **1:20**.

CC900 CRYSTAL OXY - WITH ACTIVE OXYGEN!

Crystal Oxy with **active oxygen** is **ready-to-use** with increased cleaning power. Removes all kinds of food and beverage stains. Ideal for **light and heavy soiled areas**. Includes low percentage of peroxyde which lightens heavy food and drink stains. Always test on inconspicuous area before use.

Dilution rate: **no dilution**, ready-to-use product.

THE CARPET CLEANER SYSTEM

The **Carpet Cleaner System** consists of easy-to-use counter rotating brushing machines, special dry cleaning compound and a wide range of liquid cleaning products. Efficient, effective, ecological. **Recommended by many carpet manufacturers.**

ENCAPSULATION: The **Crystal Cleaner** loosens and encapsulates soil from the carpet fibres. These microcrystals can be removed after short drying time.

Remove dry soil,
lift carpet pile.

1

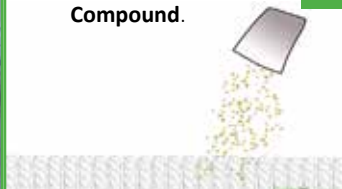

Pre-Spray
Crystal Cleaner.

2

Sprinkle
Compound.

3

Brush in **Crystal Cleaner/
Compound.**

4

Dirt pick-up.

5

DEEP CLEANING PRESpray WITH CRYSTAL CLEANER

Always start cleaning by removing dry soil and lift the carpet pile with the **CRB Machine & Renovator.**

Pre-Spray **Crystal Cleaner** on heavily soiled areas.

Sprinkle **Compound.** The compound absorbs the soil like millions of little sponges.

Brush in **Crystal Cleaner** and **Compound** with the **CRB machine.**

Pick up microcrystals and dirty compound with the **CRB machine** and the **Renovator.**

INTERIM CLEANING WITH CRYSTAL CLEANER

Always start cleaning by removing dry soil and lift the carpet pile with the **CRB Machine & Renovator.**

Pre-Spray **Crystal Cleaner** on soiled areas.

Brush in **Crystal Cleaner** with the **CRB machine.**

After drying time of 30- 60 Minutes, pick up microcrystals with the **CRB machine** and the **Renovator.**
